Help with complex tax issues

Introducing Guy Bridger; solutions to complex tax

Guy is an accountant and tax adviser who can help with the tax challenges which can occasionally face individuals or organisations. For example, helping people whose tax affairs may be in a mess, advising on complex tax issues or simply getting accounts and tax matters in order, whether on a one-off basis or through regular work. He shares time between Exeter & London.

Guy's expertise includes (but is not limited to):

- General tax-related or accountancy-based advice, computations and analysis;
 - Tidying up your tax situation if you have been let down by a previous accountancy firm;
 - Liaising with HMRC on your behalf, e.g. during a tax inquiry or investigation;
 - Sorting out complex tax issues;
 - Helping when your tax is in a mess;
 - Improving reporting and record keeping / bookkeeping systems;
 - Complicated compliance work;
 - Private client work including non domiciles;
- ... and much more!
