Upwardly mobile

ZUZTERTU designs and develops innovative educational mobile apps and solutions.

The latest releases include the Pollock's Toy Theatre app for the iPad, which brings the Victorian Toy Theatres to the digital era, and "ko-su", an intuitive mobile learning platform that allows anyone create their own educational content and activities online. It can then be pushed to the student's mobile devices to be completed.

Zuzertu, established in 2009, is based in Bodley Manor Way, Brixton. Commenting on the company's shortlisting in the Best Cultural and Creative Business,

Best Woman in Business, and Award for Innovation categories, founder Gerlinde Gniewosz said:

"Being shortlisted for the Lambeth Business Awards is an honour that was least expected. "It is encouraging to have affirmation in what we are trying to achieve in the field of mobile learning."
